## MEDIA INFORMATION 2024

Trade Union magazine for educators, reaching all teachers from early childhood education to university.  
» [opettaja.fi](http://opettaja.fi)

Opettaja Magazine is unquestionably the number one media in the Finnish education sector.

Opettaja Magazine, the trade magazine for teachers, is published once a month and is targeted at all teachers from early childhood education to university.

Opettaja Magazine is the only media that reaches decision-makers and professionals at every level of the education sector, delivered to their home address. The printed magazine has 161 200 readers. And most importantly, as many as 78% of them are regular readers. The total reach of the print and online magazine is 173 200 readers (NRS 2023).

For its advertisers, Opettaja Magazine offers up-to-date and reliable research data to support media decisions.

We are a regular participant in National Readership Survey (NRS) and, as required, we arrange separate research studies measuring the decision-making in the field of education and the use of media. Ask for research data on Opettaja Magazine media sales!

All advertisements published in Opettaja Magazine are also readable online at [www.opettaja.fi](http://www.opettaja.fi).
